

WHY FCA?

UNRIVALED COACHING STAFF

FCA's coaching staff is dedicated to the athletic and spiritual development of our athletes. Our outstanding staff is comprised of college and high school coaches, along with valuable support from current college players. Each coach has personally committed to their team for the fall, winter and summer seasons, ensuring that our athletes rise to their potential and excel not only in lacrosse, but also in life.

COLLEGE RECRUITMENT

FCA makes every effort to help families find the right fit for their child considering both your academic and athletic desires and has the resources to help guide you toward the institution best suited to your student athlete. From the 2019 Graduating Class, 95% of our players have committed to playing college lacrosse this coming Fall.

TOP-LEVEL TOURNAMENTS

As a renowned lacrosse club, FCA competes in highly competitive and well-organized tournaments. One of our goals is to expose our athletes to a broad array of college recruiters and teams from many different parts of the country.

YEAR-ROUND APPROACH

FCA team training is more than just traditional lacrosse drills, as FCA focuses on the development of fundamental, positional and leadership skills. FCA trains 36 weeks of the year across the fall, winter and summer seasons giving our athletes an extensive opportunity to improve their game. Also included in team dues is a 3-day lacrosse camp dedicated to improving our athlete's lacrosse skills while developing their Christian faith.

"FCA is more than a top, elite-level club seeking to develop my child in the game of lacrosse. The leaders and coaches of this organization exhibit the behavior and traits I want my child to be as a player and as a person, such as integrity, leadership and compassion."

- 2024 parent, 2 years with FCA
